Task-Based Approach – What is it

- An approach that concentrates on Customer Tasks that match with SE Deliverables
- Puts Customers at the centre of everything
- Measurable
- Scientific

Task-Based Approach – What is it(2)

- *“It means changing the rules on how you get anything published onto a site from “it’s part of my project to publish this on the web” to “I need to publish this because it makes it easier for customers to achieve their tasks” (Gerry McGovern, SE workshop, Apr 2007)*
- The business case test for getting anything published on SE.com:

	Connection to measures of success of Scottish Enterprise
	Connection to Customer
	Connection to Task

- E.g. help 2,000 Scottish businesses during 08/09
- Customer = Scottish growing businesses
- Task = “I want to know how SE can help my business grow”
